RE: Elevation of Operable Unit 1 Dispute

Gentlemen:

In our letter to you of June 22, 1995, the DOE initiated the informal dispute resolution process for the OU1 Proposed Plan. In my letter to you of June 30, 1995, I described our attempts and failure to reach some resolution. In that letter I recommended not delaying elevation of the dispute and provided DOE's portion of the joint statement by the Project Coordinators to the Dispute Resolution Committee.

The fourteen day period from June 22 for informal dispute resolution expired July 6, 1995. This dispute is now before the Dispute Resolution Committee for consideration. I request a copy of your portions of the joint statement by the Project Coordinators for my file and for review by the DOE DRC member.

I will be glad to work with you to facilitate a meeting by our respective DRC members. If you have any questions please call me at 966-4839.

Sincerely,

Steven W. Slater
